

# February News

January was a great month in our classroom. This month we focused on winter vocab such as items of clothing they wear in the snow and they have learned a new song using this vocab. Our virtue for the upcoming month will be love and how we can show love to others in our classroom and in our community.

## 100<sup>th</sup> Day of School

February 13<sup>th</sup> is the 100<sup>th</sup> day of school. Students have been counting up to this day since September marking it on a 10 frame daily. Our goal for this day is to have a variety of activities incorporating the number 100. **We are asking each child to bring in an item to the total of 100.** Example, 100 buttons, 100 cheerios etc. Please keep items small enough to fit into a resealable freezer/sandwich bag.

## Reminders

- Valentines Day is always an exciting time in kinder, please address all Valentines Cards "**mon amie**" instead of individual classmates names. This makes the process of delivery much faster.
- We ask that if you choose to send in treats that they are store bought and peanut free. We have 23 students
- We welcome a new JK student Phaedra starting with us February 4<sup>th</sup>.

## Learning focus

In literacy we continue to work on identifying out of sequence upper and lower case letters as well as the matching sounds. We are focusing on doing more guided reading in class and SKs continue with the at home reading as well. Our math focus has been on the concept of more and less. Students have also began to play the game War with cards during free exploration as we notice their concept of more or less and bigger and smaller numbers strengthening.
