JUNE 2022

Dear Parents/Guardians,

Can you believe another school year has flown by? We have a little way to go yet, so please ensure your child(ren) are coming to school prepared to learn, it is so important for their well-being and academic success. We have many more engaging opportunities before the end of the year for our children to enjoy.

Looking forward we are already preparing for September class organizations and staffing. In consultation with our educators, taking into consideration any pertinent factors, the needs of the child, and the needs of the class, students will be assigned to the appropriate classes. Due to possible staff changes, registration changes, and organizational changes before the beginning of the school year, we may be unable to notify families of their child's class before the first day of school.

Thank you to all the supportive parents, volunteers, and caregivers who make themselves available to assist the children and the school during the year! Many of the wonderful experiences our students enjoy would not be possible without your support. The exemplary staff at St. Leo School also needs to be acknowledged for the tremendous effort, expertise and professionalism they dedicate to the academic, social, extracurricular and operational tasks that keep the students active and engaged at school. May God continue to bless St. Leo School with the beautiful Christian spirit that makes us such a wonderful community. At St. Leo School everything you do... MATTERS!

Have a safe and restful summer!

~Mrs. Szoke
