Dear St. Leo School Families,

As our crazy weather swings, the promise of spring brings the promise of the Resurrection as we remember Jesus' sacrifice for us. We began our Lenten journey with our Ash Wednesday liturgy and received our ashes as an outward sign of our repentance. Through Lenten sacrifice, we want to turn away from whatever keeps us from God so that we can live in right relationship with God and with each other. Our journey together continues as we seek opportunities to be the hands and feet of Christ in our world today. We will be organizing Lenten collections for the Society of St. Vincent de Paul. Details regarding urgently needed items will be shared over the next few weeks.

Staff at St. Leo School continue to be committed to the Essential Practices in Literacy and Numeracy that are fundamental to improving student achievement. We continue to engage in professional learning as we fine tune our Math Up program and complete the shift to structured literacy and the new Language curriculum. Please know that there are many resources on our school and Board websites that provide suggestions for you to support your child at home.

March Break is a week away and a wonderful pause before we begin the sprint to the end of another school year. Enjoy this time together with your family!
