MARCH 2022

Dear Parents/Guardians,

It is hard to believe that spring is just around the corner, but I know that it is! With the promise of spring comes the promise of the Resurrection as we remember Jesus' sacrifice for us. We will begin our Lenten journey with our Virtual Ash Wednesday liturgy with St. Pius Church and a renewing of our baptismal commitment. There will be no distribution of ashes due to Covid restrictions. Through Lenten sacrifice, we want to turn away from whatever keeps us from God so that we can live in a right relationship with God and with each other. Our journey together continues as we seek opportunities to rebuild our Catholic Faith community.

Staff at St. Leo School continue to be committed to the Essential Practices that are fundamental to improving student achievement and utilize a balanced instructional approach with assessment for learning in both Literacy and Numeracy. Please know that there are many resources on our school and Board websites that provide suggestions for you to support your child at home.

March Break is less than two weeks away and a wonderful pause before we begin the sprint to the end of another school year. Enjoy this time together with your family!

~Mrs. Szoke
