MAY 2022

Dear Parents/Guardians,

The warm weather is almost here and with it a lift in our spirits that energizes and nurtures us. Our staff and students look to harness this energy for continued learning. We have much to accomplish before June and remain focused on student success.

As we enter into Catholic Education Week, May 1-6, I encourage you to join us if you are able, and ask your children how we celebrate our faith and so witness that which makes St. Leo School a caring faith community. Visit our website, check the school calendar and follow us on Twitter to stay informed about the many exciting events and activities we have planned at St. Leo School.

The month of May is traditionally dedicated to Mary, the Mother of Jesus. May, like spring is considered the season for the beginning of new life. During this month, we honour Mary for her devotion and strength. We will celebrate Mary through a liturgy and scripture readings.

We will also begin our EQAO assessments in late May for our Grade 3 and 6 students. An excellent means to determine where we are in our learning and our next instructional steps.

As always, please feel free to contact the school if you have any questions or concerns.

~Mrs. Szoke
