May Newsletter 2021

Ms. Griffin, Mrs. Obili and Mrs. Osorio

Welcome May!

It is hard to believe that we are in the month of May already! Where does the time go?

This month we will be celebrating Catholic Education Week as well as Mental Health Week!

Especially during these challenging times, the importance of togetherness and community remains in the forefront for all our hearts and minds.

The theme for the Brant Haldimand Norfolk Catholic District School Board for Catholic Education week is "Nurturing Hope- Together We Can".

Please place a flower or a plant in your window or on your front step, to show how we nurture and grow together, as a community. Take a photo and send it to our Twitter hashtag or email to me.

Please join our Twitter Campaign- #bhnHope #CEW2021.

Though we are still learning virtually, being together in any capacity, is better than being separated.

Knowing that each morning, we get to come together, to enjoy each other's company and to bond in community, is the highlight of our day.

We are very excited that warmer weather is upon us and that we are able to get outside and explore the wonders of God's creation during the season of Spring. Witnessing firsthand, the joys and beauty of new life that surrounds us daily. Please take the opportunity, to take your child's learning outdoors, it is refreshing and invigorating for both the body and the soul.

We would like to thank you very much for all you do to assist your child in their learning journey. Whether it is learning in person or online, you are your child's greatest teacher, and by your example, you are modelling the importance of Catholic education. Thank you for helping navigate the virtual learning environment for your child, without you, this could not be a reality. Thank you!

We hope that the month of May holds many blessing for you and your loved ones. Please stay safe, happy, and healthy!

Ms. Griffin, Mrs. Obili, and Mrs. Osorio
